A Message from our Missions Director

Welcome to Calvary Church. Missions Conference 2010 has started, and I am pleased to have you worshipping with us today. This is the kick-off weekend of MC10.

Yesterday, we hosted Wycliffe's Last Languages Campaign, which included a variety of cultural experiences, music from around the world, Scripture reading in multiple languages, and amazing guest speakers. This morning, we are honored to have Bob Creson, the U.S. President of Wycliffe as our guest speaker. In addition, 70 Calvary missionaries are able to be here in person for this year's conference!

Please join us this evening as we hear from several of our missionaries. We will also have multiple commissionings and a special presentation by Campus Crusade for Christ you won't want to miss.

There are many events throughout this week and next weekend where you can come and connect with our missionaries. Be sure to visit the table in the lobby this morning to get your tickets. Join us as we hear how Calvary is helping to reach the world for Jesus Christ through global missions.

Today's Message:

The Eternal Word of God – John 1:14

About our Guest Speaker: Bob Creson was appointed President of Wycliffe Bible Translators USA in May of 2003. Since first joining the international work of Wycliffe in 1983, he has served in a variety of positions including leadership roles in Wycliffe Bible Translators International.

Along with a team of people, Creson oversees the work of Wycliffe USA's Last Languages Campaign, a historic full-sprint effort to provide resources (prayer, people and finances) to Bible translation programs all over the world. The Last Languages Campaign strives to bring first-time access to the Bible, education, literacy, and life-saving health information to some 200 million people in the remaining 2,400 (approx.) language groups.

To learn more about Wycliffe, check out the displays in the lobby after this morning's service or visit their website at www.wycliffe.org.
