

Michele Rickett

founder and president of SIS (Sisters in Service)

Welcome to Calvary Church on this special one service Sunday morning as we emphasize our Reach Global Missions ministry!

Please pick up a copy of the new updated Beyond All Borders in the lobby and learn more about Calvary's missionaries. And as you leave, get your copy of the new REACH Vol. 5, which includes a CD of the whole New Testament. Will you take the challenge and listen for 28 minutes a day for 40 days?

SIS is one of the ministries your faith promise gifts help support, on a monthly basis, in addition to almost 100 missionary families. Both SIS and your missionaries count on your faithfulness to note "missions" on your check memo line or envelope when you give so that your gift will be designated to the correct account. Also, if you have not yet made a faith promise commitment, we encourage you to take the card from this bulletin and return it in any of the offering bags passed today. We need about 100 more cards and \$100,000 more to reach our budget of \$1.8 million. We count on your commitments to make our budget and support your people.

Next Sunday we begin a new message series called "Living Hope" from the New Testament book of I Peter. If you need to renew and reaffirm your hope in the Lord, whether you are suffering or prospering, please join us and invite a friend that can grow in their hope as well. We will resume our regular 8:45 Celebration and 10:45 Elevation service times. I look forward to seeing you again next week.

Forgotten Girls Receive New Life The Ripple Effect Continues

Mark 5:41 *"Jesus touched her and said, "Little girl, I say to you, get up!"*
