

Welcome to Calvary Church!

Thanks for joining us today! We hope you feel welcomed and encouraged in your time here at Calvary Church this morning. Here are 3 key things we would like you to know as you enter into the Calvary Church community:

1 Find Your Worship Service Style:

Calvary is one church with two unique expressions of worship each Sunday in the Worship Center. We invite you to experience each one yourself and decide which of these worship styles fits your taste.

Celebration (8:45 am) features a blend of older hymns and newer praise songs, and is taught mostly by Calvary's Senior Pastor, David Mitchell.

Elevation (10:45 am) features louder music in a modern style, and is taught by a team of Calvary pastors.

2 Connect in a LifeGroup:

There are thousands of people who call Calvary Church home and it can be easy to feel lost in the crowd. We want you to find authentic friendships that will encourage you as you follow Jesus Christ in your daily life. One of the best ways to connect and find Christian friends at Calvary is through a LifeGroup.

LifeGroups meet at various times and locations: Sunday mornings and evenings, during the week, in homes and on the Calvary campus. Fill out The Card or stop by one of our Welcome Tents to receive more information on available LifeGroups.

3 Learn More About Calvary's Ministry Activities:

Calvary offers many ways for you to CONNECT, GROW and REACH in ministry activities for everyone from children to adults, in Sunday worship experiences and Bible studies throughout the week, through serving our community and short-term trips around the world.

You can find out about the ministries of Calvary and upcoming activities in today's insert of *The Current*, online at calvarylife.org or by attending our free, monthly "New to Calvary Lunch."

RESTORATION
Lives · Campus · Community

Welcome to Calvary Church. Today is a very special day in the life of our church. For weeks, we have been praying about the Restoration Project by which our campus will be revitalized and repurposed for the future ministry we seek to pursue by God's grace. After much discussion and great input from many of you, today we are asking you to prayerfully consider how you will invest in the future of Calvary.

At the end of our service, we will invite you to bring up your wooden leaf, representing your part in the Calvary Family Tree and your desire to reach out into our community, and your commitment card to indicate your time, talent and treasure investment to Calvary.

Let me quickly add that if you are not ready to make your commitment today, please wait until you have had plenty of time to pray about it. You are welcome to bring in your commitment card anytime in the next two weeks. Our desire is that everyone respond only to what the Spirit of the Lord has directed you to do.

If you would like more information about the Restoration Project, please pick up the literature in the lobby or visit our website for details, plans, videos and more at calvarylife.org/restoration.

Thank you to so many of you who have already participated and supported God's work here at Calvary Church.
