

Parent/Teacher Fellowship

Parent Teacher Fellowship Committee (PTF) is an organization committed to continually improve and enhance the overall quality of our preschool and promote unity between our school families, teachers and the administration.

We meet once a month in the morning during the school year to plan fundraisers, organize and promote different activities and opportunities that benefit our children and our families and to encourage parent involvement in school activities.

With just a few hours a year, our parents have raised approximately \$40,000 in 5 short years, as well as develop life-long friendships. We would love your involvement in our school. It is never too early to be involved with our children's education, so come join the motivated group of parents who want to make a difference.
